AIR SOCIETY SKY'S THE LIMIT COCKTAIL PARTY

June 13, Three Sixty

AIR Society co-chairmen Roger Silverstein and Jason Pizer hosted a "Sky's the Limit" cocktail party at Three Sixty in Tribeca. The party, which benefits National Jewish Health, has grown from 70 people in its first year to hundreds this year. With the help of many of the city's most recognizable real estate professionals, the event this year raised a whopping \$400,000 in one night.
